Dear Sirs,

Re: Generation and downloading of Public Key and Private Key Infrastructure

We refer to the current account no. [] that we currently operate with your Bank. We have, pursuant to an application for the grant of ENet facility as holders of the said current account, applied for issue of a digital signature certificate by your Bank. For the issue of the digital signature certificate, we have generated and downloaded on our computer a Private Key and a corresponding Public Key from the Bank's website.

We hereby acknowledge and confirm that the private key has been downloaded by us through the Internet by following the appropriate and correct instructions provided on the website- "<https://ca.hdfcbank.com/hdfc.html>". We also confirm that the private key and the public have been generated and downloaded by us and the password used to encrypt the private key is known only to us. Neither have we disclosed the password to the representatives of the Bank nor are the representatives of the Bank aware of the same.

We further acknowledge and confirm that we shall not disclose the password to any unauthorized person and shall be responsible for keeping the password confidential. We shall also be fully responsible for the safe custody of the private key so generated and shall be solely liable for the use and/ or misuse of the same. The Bank shall be entitled to rely upon all communications made by us using the private key so generated and all such communication shall be final and binding on us. In the event of any dispute on the actual communication made to the Bank, the records of the Bank in this regard shall be final and we hereby agree to accept and abide by the same. The Bank shall be permitted to utilize all such information received by the Bank as evidence before any competent Court of Law or Judicial or Quasi-Judicial Authority or Tribunal or any other statutory or government authority.

Yours faithfully
